Career Interests Project – Part 1

You are going to find out information jobs and careers that might interest you. When finished, you will choose two careers to focus on and find detailed information.

STEP 1 - To start, make a list here of any jobs/careers you might be interested in:

Write down up to five careers that you think might interest you (you need AT LEAST 3):

1. _____
2. _____
3. _____
4. _____
5. _____

STEP 2 - Go to: <http://occinfo.alis.alberta.ca/occinfopreview> to sign up. Click on 'Occupations' (on the left hand side). There you can search through an alphabetical list of jobs and careers. Each has a description with information about the career or job.

Note: if you can't find the career/job you are looking for on the list, ask your teacher for help. It might be on the list but just under a different name you are searching for.

After exploring the information on the website, has your list changed? Did you find any new career/jobs that interest you?

Write down up to five careers that you think might interest you (you need AT LEAST 3):

1. _____
2. _____
3. _____
4. _____
5. _____

STEP 3 – Next, look at your lists and narrow your interest down to the two careers/jobs you are most interested in learning about here:

Career/Job 1: _____

Career/Job 2: _____

Ask your teacher to print off the information from the website about your top two careers/jobs. Keep this information, you will need it later.

You are now ready to move on to the next assignment: My Top Two Career Choices
